

SIRI

SIRI

!!

PROMPT CONTROL  
IS NOT AVAILABLE  
IN AUTOMATIC  
CONTROL MODE.

WOULD YOU LIKE  
TO SWITCH TO  
MANUAL CONTROL  
MODE?

DAMN IT!  
ALRIGHT!  
MANUAL!

SWITCHING TO  
MANUAL CONTROL  
MODE.

SIR, YOU'LL BE  
ARRIVING AT YOUR  
DESTINATION  
MOMENTARILY.

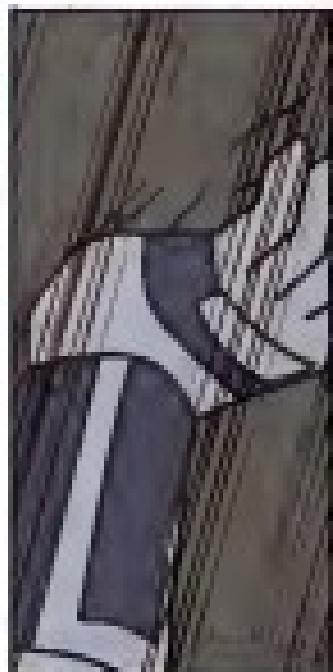

YOU'VE GOT TO  
PREPARE FOR  
LANDING.

GOOD,  
IT'S ALMOST  
BROKEN OFF!

I'LL BE ABLE  
TO PUSH IT OFF!

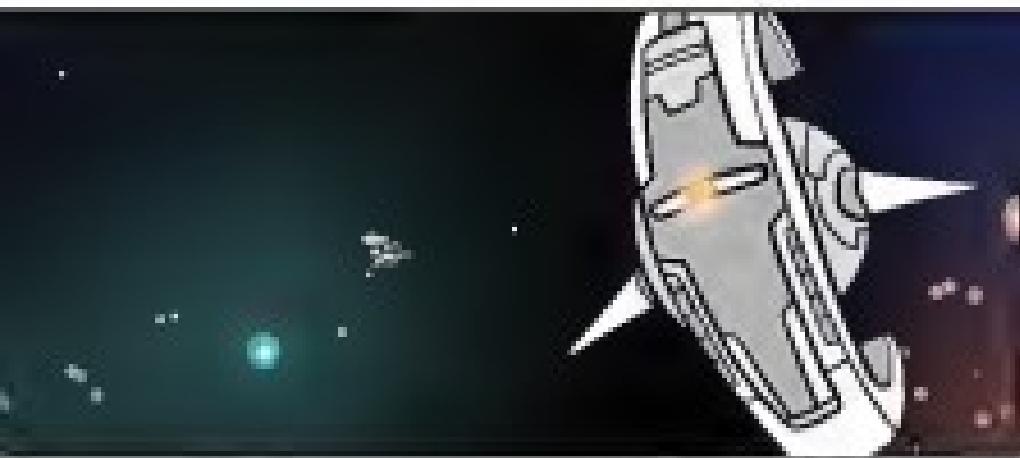

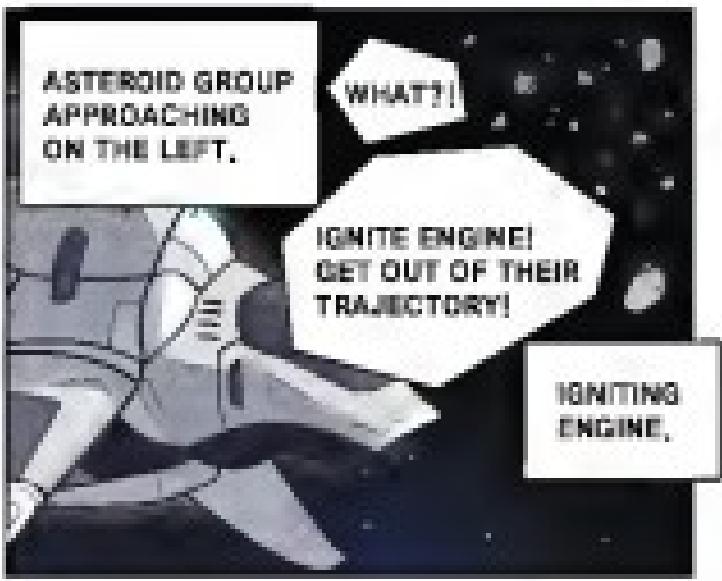

IMMIGRATION  
TO MARS FAILED

AND THE  
MOON BASE

FACED AN  
UNEXPECTED  
DISASTER.

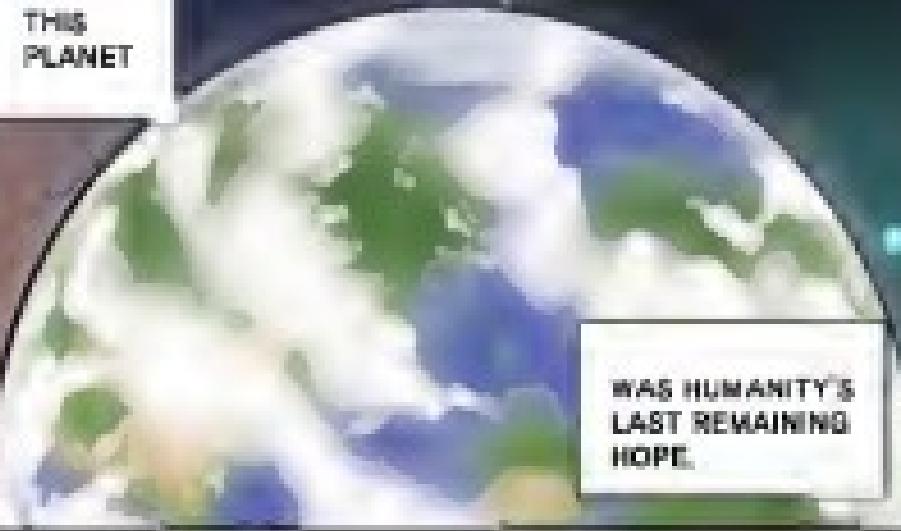

IS CONJECTURED  
TO HAVE AN  
ATMOSPHERE VERY  
SIMILAR TO EARTH'S...

A SECOND  
EARTH

THIS  
PLANET

WAS HUMANITY'S  
LAST REMAINING  
HOPE.

REALLY?

WELL THAT'S A RELIEF.

YOUR CURRENT SUCCESS RATE: 64%

COMPUTER,  
CALCULATE THE FIGURE  
MINUS THE ASTEROID  
AND MY MASS,

...YOU DON'T  
HAVE MUCH  
MASS.

SO IT DOESN'T MAKE  
A BIG DIFFERENCE.  
IT WOULD BE 66%

STILL...

**HUMANITY LOST  
ITS PLACE TO LIVE  
LIKE THIS.**

STUPID..  
THEN THIS  
WHOLE JOURNEY  
WOULD BE...

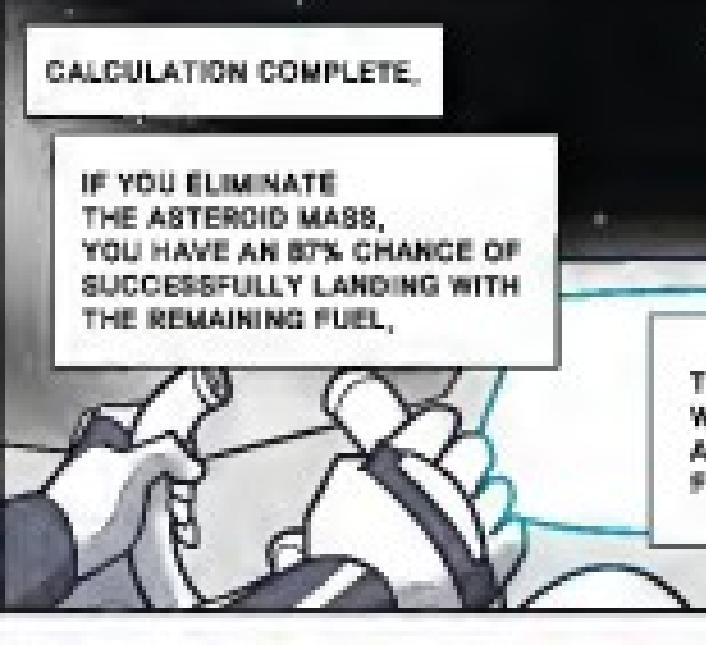

YOU'VE GOT TO DECIDE  
QUICKLY, IF YOU GET  
TOO FAR AWAY, EVEN  
EJECTING THE DEVICE

WILL NOT GUARANTEE  
THAT YOU'LL BE ABLE  
TO LAND SAFELY.

WHAT IF...

I GET RID OF  
THE ASTEROID?

CALCULATION COMPLETE.

IF YOU ELIMINATE  
THE ASTEROID MASS,  
YOU HAVE AN 80% CHANCE OF  
SUCCESSFULLY LANDING WITH  
THE REMAINING FUEL,

THIS PERCENTAGE  
WILL DECREASE  
AS YOU GET  
FURTHER AWAY.

HUH?  
WAIT...

COMPUTER,  
WHAT DID YOU  
JUST SAY?

YOU SLEPT  
FOR 14 HOURS  
AND 12...

NO NO.  
BEFORE  
THAT...

YOU'LL BE ARRIVING  
AT YOUR DESTINATION  
MOMENTARILY.

- THIS TEST SUBJECT ALSO CHOSE ALL OF HUMANITY OVER ITSELF.
- THEN PERHAPS THE CAUSE FOR HUMANITY'S DESTRUCTION..
- IS NOT "SELFISHNESS" AFTER ALL,

- I'LL PREPARE THE NEXT TEST SUBJECT.

- THIS PROJECT'LL OVERTURN THE SCHOLARLY  
WORLD AND MAKE ME A TESBEL PRIZE WINNER!

- THAT MIGHT BE A BIT MUCH...

THREE SECONDS  
BEFORE IMPACT-

TWO

ONE

THUD.

CRAP!  
IT'S TOO  
LATE!

BUMP.

I WON'T BE ABLE  
TO GET OUTTA  
THE TRAJECTORY!

GET US  
OUTTA HERE,  
COMPUTER!

WARNING!  
LOW OXYGEN

URGHHH..!

FINALLY...

I'M ARRIVING.

Read the comics on LINE WEBTOON  
to support the artists!  
[www.webtoons.com](http://www.webtoons.com)

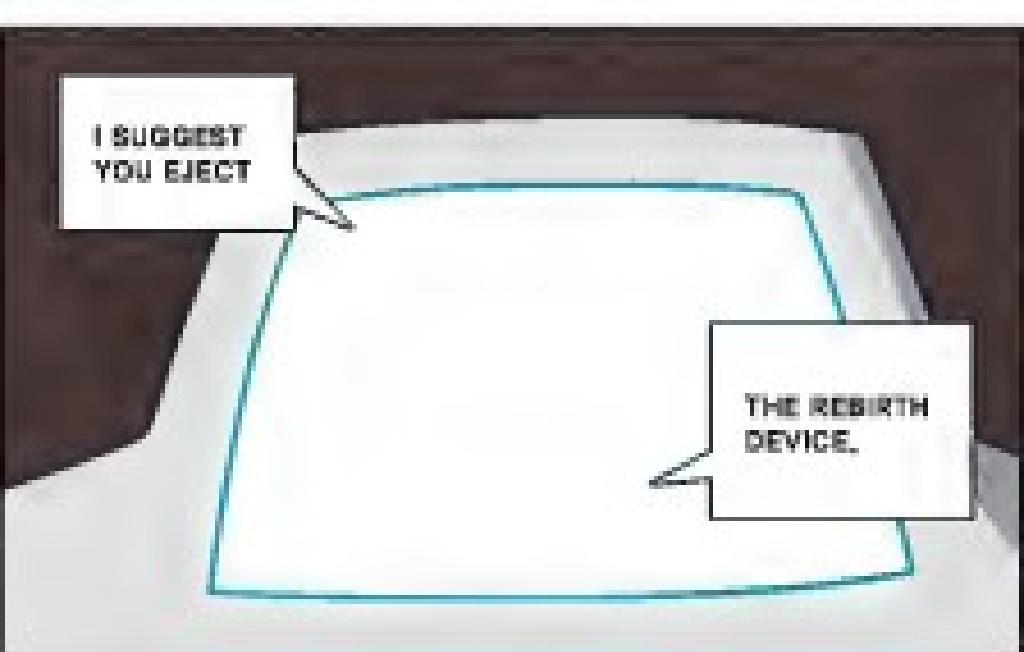

AND SO THE "ARK"  
WHICH CONTAINED  
HUMANITY'S HOPE...

LEFT ON AN  
UNPRECEDENTEDLY  
LENGTHY SPACE  
JOURNEY

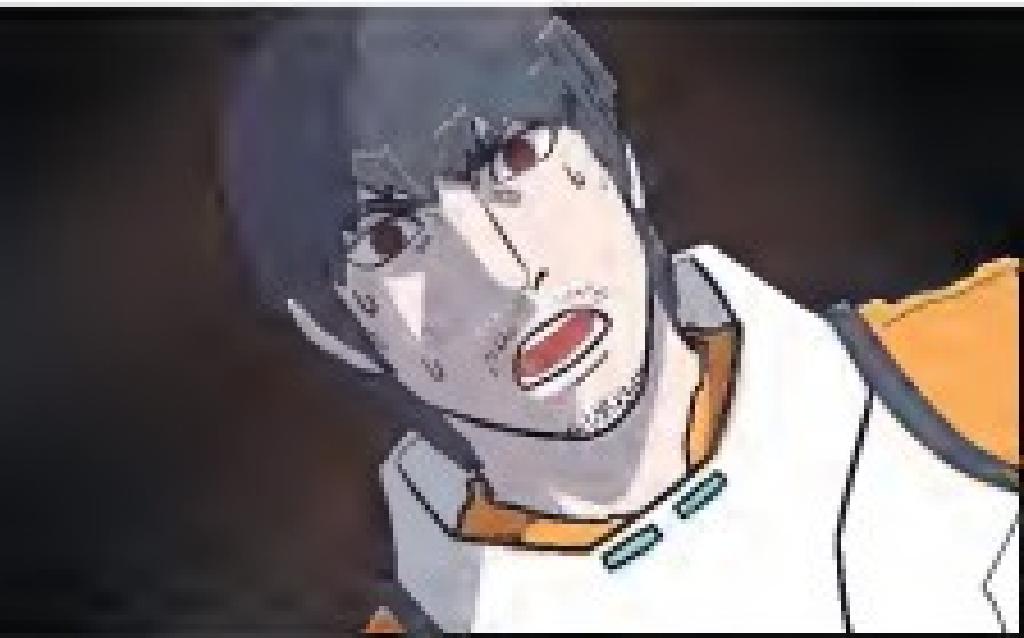

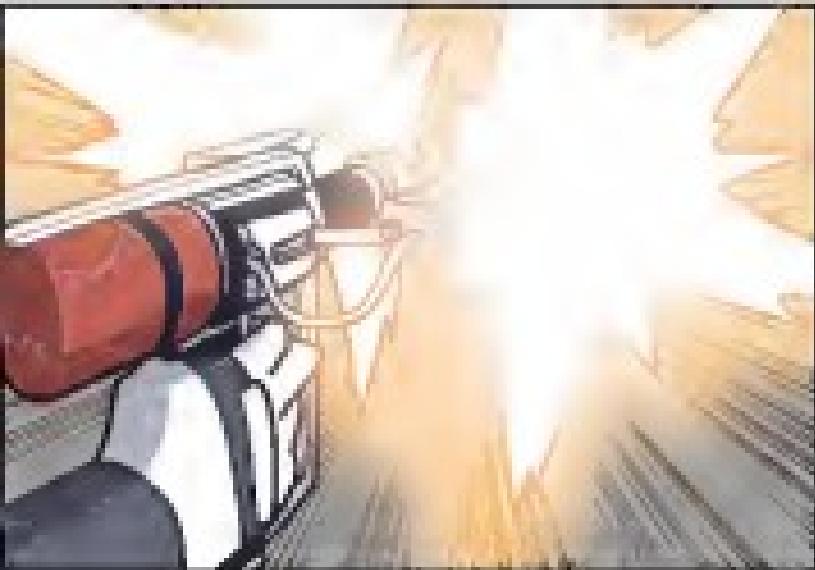

TO FIND THIS  
SECOND EARTH.

I SUGGEST  
YOU EJECT

THE REBIRTH  
DEVICE.

WHAT THE...

HUH?!

WHAT'S  
HAPPENING!?

T-THE PLANET'S  
GETTING FURTHER  
AWAY...!

AN ASTEROID HAS  
COLLIDED WITH  
THE REBIRTH  
DEVICE.

IT'S DRAGGING  
US AWAY.

WHAT?!

COMPUTER,  
RAISE ENGINE  
OUTPUT NOW!

I WOULD ADVISE  
AGAINST THAT.

YOUR REMAINING  
FUEL IS 4%.  
USING UP ANY  
MORE FUEL  
IS DANGEROUS,

BUT THERE'S  
NO OTHER  
CHOICE!

2015: SPACE SERIES

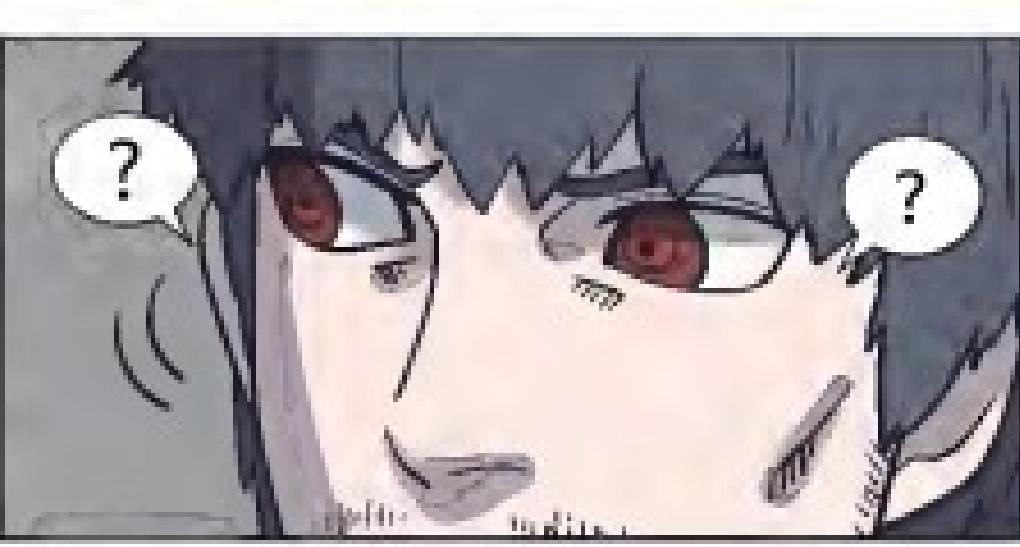

N O T  
A L O N E

SANGMIN KIM

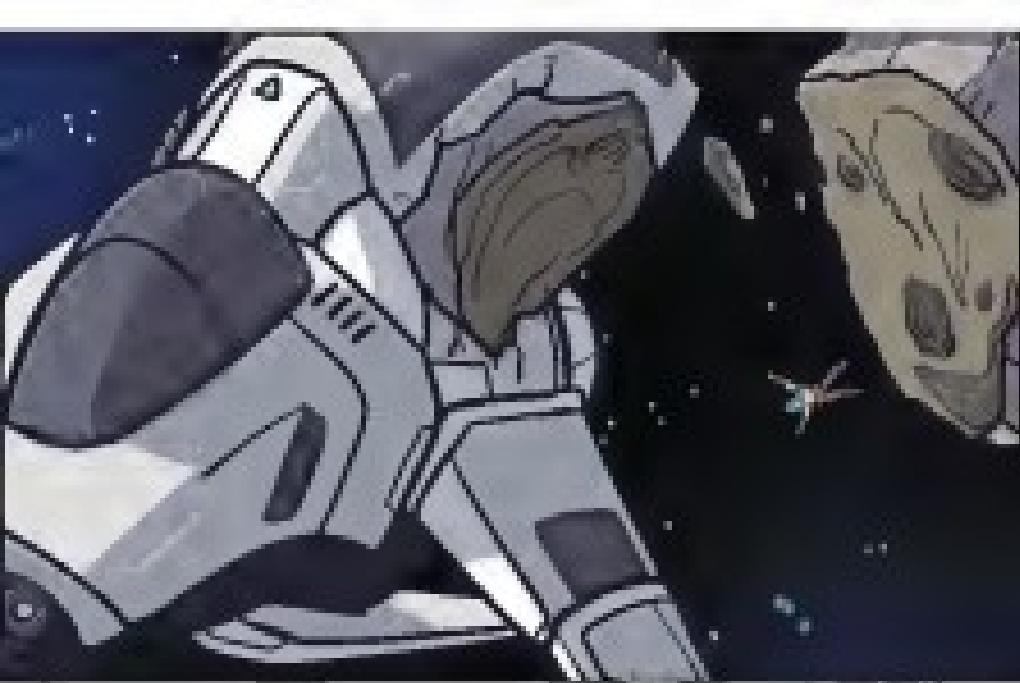

EXCEPT FOR ONE.

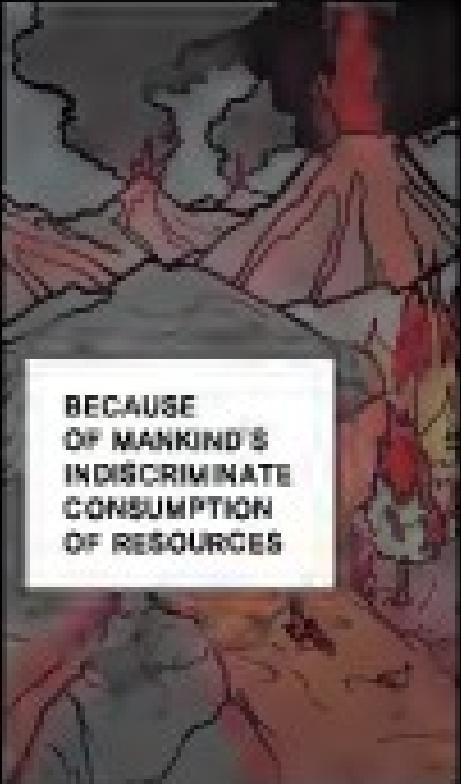

A PLANET THAT  
HAD BEEN OBSERVED  
BY MANY SCHOLARS  
SINCE LONG AGO.

A PLANET THAT,  
ALTHOUGH VERY  
FAR FROM EARTH,

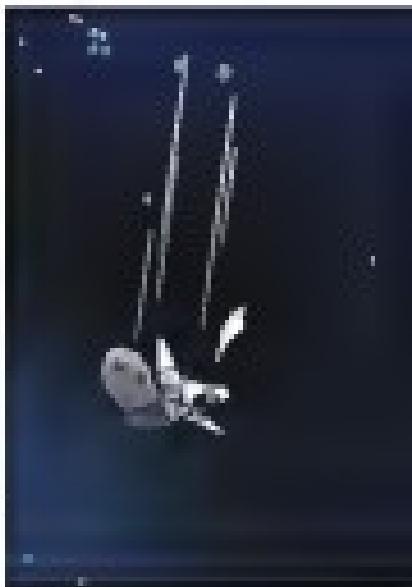

BECAUSE  
OF MANKIND'S  
INDISCRIMINATE  
CONSUMPTION  
OF RESOURCES

NATURAL  
DISASTERS SPRANG  
UP ALL OVER  
THE EARTH  
SIMULTANEOUSLY.

HAS BEEN DESTROYED.

70% CHANCE  
OF SUCCESS

IF YOU EJECT  
THE REBIRTH  
DEVICE NOW

YOU'LL HAVE  
A 95% CHANCE  
OF SUCCESSFULLY  
LANDING.

COMPUTER,

IF THE  
ENVIRONMENT'S  
RIGHT, THE REBIRTH  
DEVICE WILL ACTIVATE  
AUTOMATICALLY,  
RIGHT?

THAT IS  
CORRECT.

SO THEN THERE'S  
NOTHING FOR  
ME TO DO?

EVERYTHING HAS  
BEEN PROGRAMMED,  
SO ANY ADDITIONAL  
INPUT OR CONTROL  
IS UNNECESSARY.

EVERY PROCESS  
HAS BEEN  
PROGRAMMED.

ONCE AN ENVIRONMENT  
SUITABLE TO HUMANITY'S  
SURVIVAL IS FOUND,  
THE REBIRTH PROGRAM  
WILL BE ACTIVATED.

THE SAVED DNA  
WILL BE USED TO  
MANUFACTURE  
HUMANS.

HEY...

I DON'T LIKE  
THE SOUND OF  
"MANUFACTURE."  
IT'S NOT LIKE  
HUMANS ARE  
JUST  
MACHINES...

A SERIES OF  
PROCEDURES WILL  
TAKE PLACE  
AUTOMATICALLY

AND THERE'S NOTHING  
YOU NEED TO DO DURING  
THIS PROCESS, SO RELAX,

SIRI

BUT I'M...

THE ONLY  
SURVIVOR.

I CAN'T MESS UP  
DOCTOR ROSALINE'S  
PLAN,

COMPUTER,  
CAN THE REBIRTH  
PLAN REALLY BE  
DONE WITHOUT  
DOCTOR ROSALINE?

YES, SIR.

АДЛРУЛС  
/ТЭЛТЭЛСОН

СУПАССА  
ИТСӨҮЛС  
РЕСИА /ТЭЛТЭЛС/

- THE 16TH TEST SUBJECT DIED
- RETRIEVE THE TRANSPORT SHIP

ВТСНДС  
СУПАССА/ТЭЛС/

СУПАС  
АИНЕЗТПКЛС

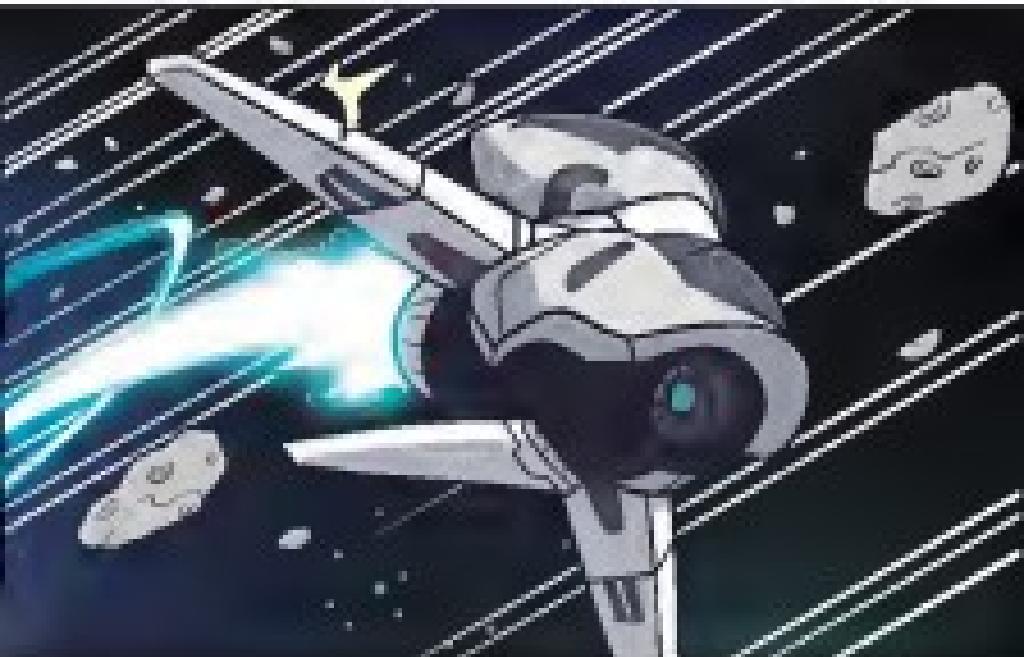

- WHAT WERE THE RESULTS LIKE?
- SAME AS BEFORE.

CRAP!

I STILL DON'T  
EVEN HAVE MY  
SPACESHIP  
LICENSE!

YOU'LL BE FINED FOR  
DRIVING WITHOUT  
A LICENSE.

THE  
EARTH

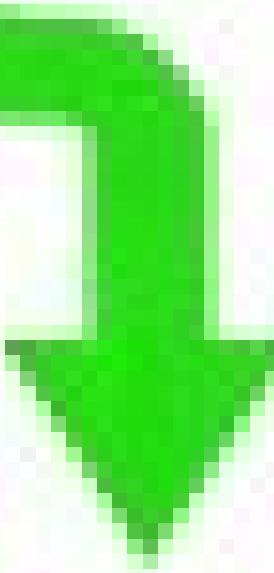

BECAME A PLANET NO  
LONGER INHABITABLE  
FOR HUMANS.

## Comment to Win!

Leave an **engaging** comment to win an iPad.

GOOD!

DID YOU HEAR THAT? THAT  
RIPPING SOUND!

I DID NOT  
HEAR IT.

IT'S WEAKER  
THAN IT  
LOOKS.

IF I JUST  
GIVE IT  
SOME MORE  
PRESSURE...

76%

HUH?  
WHAT'S  
THAT.

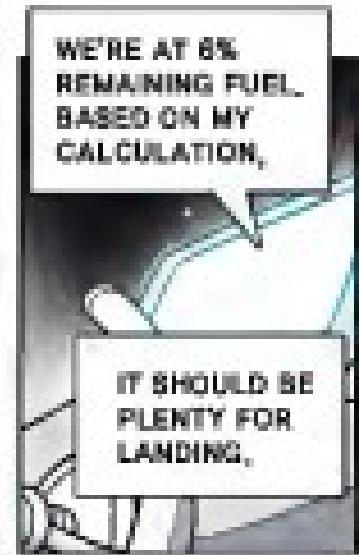

BE CAREFUL.  
THERE'S A METEOROID  
APPROACHING.

IT SOUNDS LIKE  
I'M NOT MUCH  
USE AT ALL—

OF  
COURSE NOT,  
SIR.

HOW MUCH  
FUEL'S LEFT?

WE'RE AT 6%  
REMAINING FUEL.  
BASED ON MY  
CALCULATION,

IT SHOULD BE  
PLENTY FOR  
LANDING.

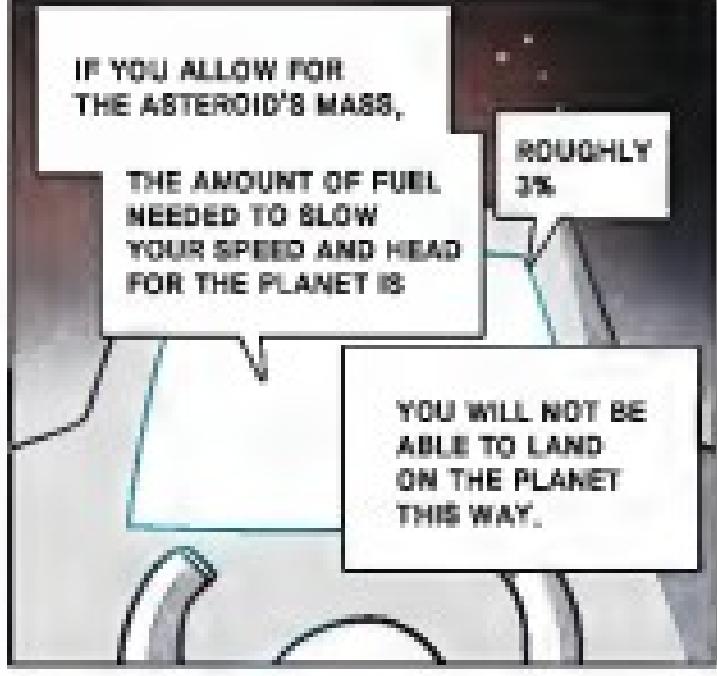

ALRIGHT.  
SHALL WE  
TAKE IT DOWN  
NOW THEN?

WOULD YOU  
LIKE TO SWITCH  
TO MANUAL  
CONTROL MODE?

NO. STICK TO  
AUTOMATIC...

MAINTAIN  
AUTOMATIC  
CONTROL MODE.

I REALLY AM  
USELESS,  
AREN'T I?

IF YOU ALLOW FOR  
THE ASTEROID'S MASS,

THE AMOUNT OF FUEL  
NEEDED TO SLOW  
YOUR SPEED AND HEAD  
FOR THE PLANET IS:

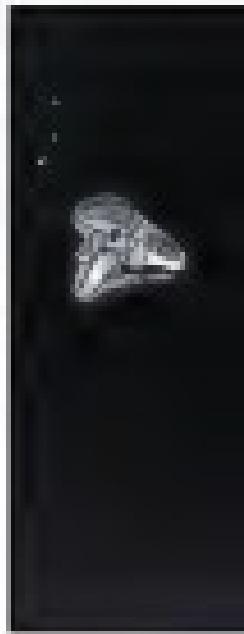

ROUGHLY  
3%

YOU WILL NOT BE  
ABLE TO LAND  
ON THE PLANET  
THIS WAY.

SO I ADVISE THAT  
YOU REDUCE THE  
SPACESHIP'S MASS.

HOW?!

68% CHANCE OF  
SUCCESSFUL LANDING.  
GOOD WORK.

REMAINING  
OXYGEN: 1%

THANKS...

GOOD LUCK...

LOW  
OXYGEN
